Proposed Adopted Budget Executive Summary 2023-24

Introduction

The Proposed Adopted Budget for the 2023-24 fiscal year is designed to support the goals established by the superintendent in conjunction with the school board.

The budget is made up of five major funds. Each fund has unique types of revenues and appropriations designed to accomplish specific purposes. The particular funds used are based on standards established by the Governmental Accounting Standards Board. The particular classifications of revenues and appropriations are based on guidelines from the Florida Department

of Education (FDOE). The budget is also designed to comply with requirements established by the Florida Legislature as well as the federal government.

Millage Rates

Millage rates are approved by the school board and applied to the taxable value of property as established by the local property appraiser. One mill is essentially one dollar of tax for each thousand dollars of taxable value. The millage rates are divided into two major categories; operating and capital.

There are three specific millage levies for operations. These millage levies are Required Local Effort, Discretionary and Additional Voted Millage. Each of these is discussed below.

The Required Local Effort (RLE) millage is based on a total dollar amount established by the legislature and an average rate based on FDOE calculations. The only differences in the amounts levied between districts are due to differing assessment levels by the property appraisers or if a Prior Period Funding Adjustment Millage must be included in the RLE due to changes in the final certified tax roll. This millage must be levied in order to receive any state funds. The school board has the discretion to levy the full RLE amount or to levy none. They cannot levy more or less.

The maximum amount that can be levied for the Discretionary millage is established by the legislature. The school board has the option to levy up to the maximum amount or may levy a lesser amount. If the maximum millage of 0.748 mills is levied, the revenues are supplemented by the state up to the statewide average generated from this millage calculated assuming all districts levy the full 0.748 mills. If the board levies not less than 0.498 mills but less than the 0.748 maximum, the state will supplement to the statewide average calculated assuming all districts levy only 0.498 mills.

In August 2022, the citizens of Orange County approved a referendum to continue an Additional Voted Millage of 1 mill for a period not to exceed four years. This millage is to be used for essential operating expenses that preserve academic programs, compensate teachers and support staff, and protects arts, athletics and student activities.

The legislature authorizes districts to levy up to 1.500 mills for a Capital Projects millage. These funds can only be used for capital projects that are advertised in the local newspaper. This millage rate maximum was 2.000 mills for several years but since the 2003-04 fiscal year, OCPS agreed to restrict its Capital Projects Millage to 1.500 mills as a condition of the thirteen-year local sales tax referendum that ended December 31, 2015. The legislature lowered the maximum millage to 1.750 in the 2008-09 fiscal year and then to 1.500 in the 2009-10 fiscal year. The 1.500 mills is currently the maximum permitted by law. Based upon new legislation in HB1259, the 1.500 mills will now be shared with eligible charter schools in the district. The amount to be distributed to eligible charter schools will be phased in beginning in the 2023-24 fiscal year and increases by 20% each year.

A millage rate comparison is shown in the following chart. The legislature proposed an average millage rate that is the same as the FY 2023 rate. However, because the certified tax rolls were much higher than expected, the average millage rate was reduced accordingly. The proposed millage rate is required by law to be compared to the rolled-back rate. The rolled-back rate is the rate when applied to the current tax roll after adjusting for new growth produces the same revenues

as the prior year. The proposed total millage is 9.62% over the rolled-back rate. If the homeowner qualifies under the Save Our Homes law, their assessment increase is limited to the lesser of 3% or CPI change from December to December. Since the current CPI change is 8%, the assessment increase is limited to 3%. Because of the decrease in the RLE rate and limited increase in assessed value, the owner of an average home with a just value of \$319,500 would pay \$43 more in school taxes per year. Commercial property values are not limited by the Save Our Homes law. With the .63% reduction in the millage rate, the owner of an average \$1,000,000 piece of commercial property would pay \$563 more per year or \$47 per month.

Millage Rate Comparison

Description	2022-23	2023-24	Change
Required Local Effort	3.214	3.173	(0.041)
Discretionary	0.748	0.748	-
Additional Voted Millage	1.000	1.000	-
Subtotal Operating	4.962	4.921	(0.041)
Capital Projects	1.500	1.500	-
Total Millage	6.462	6.421	(0.041)

The Florida Constitution places an overall 10 mill cap on all millage levies which have not been approved by voters. A statutory provision permits districts to levy an additional millage up to this Constitutional limit for operational purposes for a period of not more than four years if approved through a local referendum. Even though the proposed non-voted millage rates are the maximums allowed by law, they will still be 4.579 mills below the Constitutional limit. With the Additional Voted Millage of 1 mill, the total millage rate will be 3.579 mills below the Constitutional limit.

Proposed Budget

The proposed budget is comprised of five distinct funds. These funds are used to account for specific revenue sources and to accomplish specific objectives.

Summary of Five Funds

Fund	2022-23	2023-24	Difference
General	2,464,570,651	2,723,984,930	259,414,279
Debt Service	238,173,675	242,796,524	4,622,849
Capital Projects	2,596,615,714	3,097,205,514	500,589,800
Special Revenue*	285,694,898	325,285,696	39,590,798
Internal Service	385,173,621	359,479,829	(25,693,792)
Totals	5,970,228,559	6,748,752,493	778,523,934

*Food Service, Extended Day and School Internal Accounts.
Other grant awards to be amended into budget as approved.

General Fund

The General Fund is the operating budget of the school district. The primary source of revenue for this fund comes through a formula called the Florida Education Finance Program (FEFP). This formula is designed to provide some degree of equity in per student funding among the various school districts. The formula uses a combination of local property taxes (Required Local Effort and Discretionary), and state taxes (primarily sales taxes) as its revenue sources.

FEFP (regular) funding is only \$1,246 more than the amount in 2007-08. With the additional special millage proceeds, the district now receives \$2,235 more than in 2007-08. However, when considering the purchasing power using the Consumer Price Index (CPI), the purchasing power today is still \$1,177 less than in 2007-08.

FEFP funding increased by \$391 or 4.78% per student when compared to last year. The additional special millage is now generating over \$988 per student, assuming the property assessments are accurate. This is an increase over the prior year of \$82 per student or 9.1%.

Budgeted Funding Per Student Second Calculation Florida Education Finance Program (FEFP) With Consumer Price Index (CPI) Comparison

At the beginning of the Great Recession, in 2008, state funding declined dramatically until the FEFP funding reached its lowest point in 2011. The CPI is represented in the line above the funding bars which signifies the inflationary impact year-over-year and demonstrates that funding has not returned to the 2007 pre-recession levels. To be consistent, we illustrate an annual CPI from December to December. As shown, inflation had been modest with an average CPI increase of less than 2% per year since the Great Recession, until 2022 when inflation rose to 4.7% and is now currently hovering at 8% in 2023, a significant increase over the last year.

When accounting for the special millage, shown in dark blue, the total per student increase is \$473 or 5.2% over the previous year. Even with the special millage, and accounting for CPI, the district has still seen a significant reduction in purchasing power of \$1,177 per student. Thank you to the voters of Orange County for supporting the renewal of the Special Millage which helps tremendously to offset the lag in state funding in order to support our students and sustain programs in our schools.

With pressure on the State Legislature because of the increase in needs beyond the increase in funds to meet those needs, a smaller percentage of General Revenue is now being appropriated for

education than in the early years of the Florida Lottery. For 2023-24, the percentage increased slightly to 43.9%, a level lower than during the Great Recession.

Percentage of State General Revenue Going to Education

The total general revenue state budget increased \$2.8 billion or 6.4%, which includes an increase in funding for education of \$1.6 billion or 8.6%. The category in the state budget that is requiring more resources each year is the area of Human Services. Human Services remains the largest portion of the state budget. Additionally, the legislature prioritized a significant investment to increase transportation infrastructure.

Although the Florida Lottery continues to provide resources to education, the portion going to public schools has diminished over the years. During its early years, sixty to seventy percent of lottery dollars coming to education were for public schools. That number is now only 43%. Support for the basic FEFP program is 89% of the public school allocation and the remaining 11% is for the district's postsecondary program. There are no lottery dollars allocated for the School Recognition Program. This year the program is funded using General Revenue Non-FEFP funds.

Lottery Appropriations for Florida Reflects How Lottery Funds Were Dispersed to Education

Several items have created a need for increased appropriations. Salary increases are addressed in the 2024 operating budget and align with the Board's priority to compensate employees. Additional funding is needed to absorb a 13.94% increase to employer paid regular class FRS rates. Also contributing to the need for additional funding are the costs associated with serving an additional 6,765 students for the upcoming year. The additional funding provided in the Teacher Salary Increase Allocation will go towards addressing teacher salaries. Our health insurance contribution will remain unchanged at \$9,289 per employee. We will need to explore ways to offset the rapid increase in health and prescription costs to the Employee Benefit Trust for our self-insured plan to remain solvent. The district currently offers 4 health plans with two plans being free for employee-only coverage. The district strives to offer competitive and affordable options for quality healthcare for employees and their dependents. Any proposed changes are subject to ongoing collective bargaining.

In addition to compensation, some of the other items requiring increased appropriations include: staffing one new middle school, increased property insurance premiums, increased utility costs as

well as increased contractual costs, increased school safety, enhanced mental health services, and increased software maintenance fees.

General Fund appropriations by function continue to demonstrate the priorities of the school board and superintendent by focusing resources on the functional categories of Instruction and Instructional Support. All functional categories continue to remain relatively constant as a percentage of the total budget. Nearly 75% of all appropriations are in the Instruction and Instructional Support functions.

General Fund Budgeted Appropriations by Function

State general revenue is being closely watched as legislators use it to fund key portions of education and health-care programs. Despite fading fiscal stimulus, persistent inflation and higher interest rates, economic activity remains robust. The forecasted recession has yet to materialize, wage growth continues and resilient labor markets have contributed to historically low unemployment. Property values have increased and continued rising mortgage rates will ultimately affect home sales. The major issues affecting future budget development will be the effect of the continued growth of vouchers for private school students on our traditional school enrollment and the impact of inflation on the economy, including the impact on the cost of staffing and health benefits. Competition for qualified staff continues to be intense driving compensation higher, exacerbated by the impact of inflation. The State continues to make choices in funding K-12 education from limited resources by funding choice options such as virtual, charter and private schools thus creating a less stable funding environment.

The continued reliance on the Additional Voted Millage will have an impact on future budget development. The August 2022 approval of the continuation of the additional one mill, by an overwhelming 82.1%, brings some stability to the operating budget for the coming four years. We clearly have a community that supports children and is confident in the district's ability to lead students to success. The special millage currently represents 10% of General Fund revenues. These additional revenues are critical to sustaining the level of service that the district has been able to provide since the 2011-12 fiscal year.

Debt Service Fund

This fund is used to retire the indebtedness the school district has incurred for construction projects. The primary source of funds is a transfer from the Capital Projects Fund. There were no significant changes in the Debt Service Fund this year as compared to last year. The district continues to refinance its debt where appropriate and reduce the overall debt burden.

Capital Projects Fund

This fund is used to record the revenues and expenditures for construction and renovation of school and ancillary facilities. State revenue sources for this fund have declined and are now an insignificant portion of the total.

The three major local sources of revenue are property taxes, impact fees and sales taxes. Property taxes are forecasted to grow steadily over the next five years. With the passage of HB1259 legislation, capital millage will now be shared with charter schools. The forecast for impact fee revenues aligns with average collections for the past three years pending the effects of rising interest rates and housing inventory. For 2024, the Office of Economic and Demographic Research (EDR) is forecasting a decrease in sales tax collections as inflation eventually leads to suppressed collections as consumers begin to spend more money on non-taxable necessities like food and health care.

The district's authorized Sales Tax program will sunset in December 2025, and continued reliance on the program will have an impact on future budget development. Sales tax collections currently account for approximately half of local capital improvement revenue sources. There are no planned issues of additional Certificates of Participation (COPS) contained within the current capital plan.

The major uses of capital funds for 2023-24 are for districtwide capital, comprehensive needs and additional schools.

Capital Projects Use of Funds (Excluding Reserves)

One new middle school opened in August of 2023. One elementary school, middle school and high school are scheduled to open in August of 2024.

Special Revenue Fund

This fund is comprised of three major sections; Food Service. Special Revenue Funds Other and Federal Grants. The Food Service program is supported primarily from federal reimbursement and USDA commodities and also from fees charged for meals served. The district also receives a small state subsidy. For the 2024 school year all meals at current schools will be provided to OCPS students at no charge, regardless of income level. This initiative is made possible through the Community Eligibility Provision (CEP). CEP is an option for school districts operating child nutrition programs and is administered by the United States Department of Agriculture (USDA).

The Special Revenue Funds Other is used to account for revenues from specific sources that are restricted or committed for specific purposes. School Internal Accounts and Extended Day Programs are the two primary funds within this grouping.

The Federal Grants section contains no budget at this time for 2023-24. Grants will be amended into this budget as they are approved. ESSER funding will continue to be folded into our overall federal grant funding again this year. These grant dollars will be used to support instructional programs and enhance learning gains.

Internal Service Fund

This fund includes the premium revenue and expenditures associated with the district's self-insured Employee Benefit Trust Fund. The premium revenue is from board contributions for employee coverage, deductions for employee and dependent coverage, and contributions by retirees for post-employment coverage. The expenditures of this fund are for medical claims payments, prescription claims payments and charges for services provided for the operation of the Trust Fund. The district currently offers four plan options with two of the employee-only options available at no cost to the employee.

The fund also contains the Property Casualty Loss Fund which includes payments for property, liability and workers' compensation claims. Board contributions to this fund will increase this year due to escalations in insurance premiums as well as an increase in the total insured value of schools and district sites. Revenues for this fund are from charges to other funds.

Finally, the Internal Service Fund contains the Printing Services Fund. This fund is self-supporting and receives revenues from charges for services to schools and departments.

- 5. Efficient Operations
- 4. Positive Climate and Safe Environment
- 3. Dedicated and High-Quality Team
- 2. Support of Student Resiliency
- 1. High Expectations for Student Learning

Public Content

BACKGROUND:

Section 200.065, Florida Statutes, requires each School Board to hold a public hearing to finalize the budget within 80 days, but not earlier than 65 days of Certification of Value by the Property Appraiser.

Following such hearing, the School Board must adopt the total millage required for support of the budget and adopt a final budget.

The School Board is also required by law to publicly identify the percentage by which the millage exceeds the “rolled-back rate”, computed in the manner prescribed by law. Essentially the “rolled-back rate” is the millage which when applied to the current year’s tax roll, and after adjusting for new growth, would produce the same dollars as received in the prior year. The proposed millage is more than the computed “rolled-back rate” by 9.62%.

The budget was advertised on July 27, 2023 and a public hearing was held on August 1, 2023 in accordance with Florida Statutes.

It is recommended that the Board adopt the resolution below which incorporates the following millage for operation of the Orange County Public Schools during the 2023-24 fiscal year. For informational purposes the proposed millage is contrasted with the millage levied for the 2022-23 fiscal year.

Millage Type	2022-23 Rates	2023-24 Rates
Required Local Effort	3.214	3.173
Basic Discretionary	.748	.748
Additional Voted	1.000	1.000
Capital Improvement	1.500	1.500
Total	6.462	6.421

FISCAL IMPACT STATEMENT:

Authorizes millage levies for the 2023-2024 fiscal year as presented.

RECOMMENDED RESOLUTION:

WHEREAS Section 200.065, Florida Statutes, requires that the School Board adopt a total millage to support the final budget, and notify the Property Appraiser of its action; and

WHEREAS the 2023-24 final budget is based upon a total millage of 6.421 mills, which is more than the rolled-back rate by 9.62% as computed pursuant to Section 200.065, Florida Statutes;

NOW, THEREFORE, BE IT RESOLVED by the School Board of Orange County, Florida, that the Board does hereby adopt the following total millage to support the final budget for the 2023-24 fiscal year:

Millage Type	Rate
Required Local Effort	3.173
Basic Discretionary	.748
Additional Voted	1.000
Capital Improvement	1.500
Total	6.421

BE IT FURTHER RESOLVED that the Superintendent immediately inform the Orange County Property Appraiser of the action of the School Board in the manner prescribed by law.

SUBMITTED AND PREPARED BY:

Doreen Concolino, Chief Financial Officer
Judith Padres, Senior Director, Office of Management & Budget

Public Content

BACKGROUND:

Each School Board is required, after conducting a public hearing and after adopting a total millage rate, to adopt a Final Budget. This action must take place no earlier than 65 days and no later than 80 days following certification of taxable value by the Property Appraiser or July 1, whichever occurs later.

FISCAL IMPACT STATEMENT:

Authorizes expenditures for the 2023-24 fiscal year as presented. The Final Budget is posted on the website of Orange County Public Schools.

RECOMMENDED RESOLUTION:

This resolution is to be read as follows:

1.	Approve the 2023-24 Budget for the General Fund	\$2,723,984,930
2.	Approve the 2023-24 Budget for the Special Revenue Fund	\$325,285,696
3.	Approve the 2023-24 Budget for the Debt Service Fund	\$242,796,524
4.	Approve the 2023-24 Budget for the Capital Projects Fund	\$3,097,205,514
5.	Approve the 2023-24 Budget for the Internal Service Fund	\$359,479,829

NOTICE OF PROPOSED TAX INCREASE

The Orange County School Board will soon consider a measure to increase its property tax levy.

Last year's property tax levy

A. Initially proposed tax levy	\$ <u>1,308,876,110</u>
B. Less tax reductions due to Value Adjustment Board and other assessment changes	\$ <u>6,588,563</u>
C. Actual property tax levy.....	\$ <u>1,302,287,547</u>

This year's proposed tax levy..... \$ 1,457,552,341

A portion of the tax levy is required under state law in order for the school board to receive \$797,882,884 in state education grants.

The required portion has increased by 8.91 percent, and represents approximately five tenths of the total proposed taxes.

The remainder of the taxes is proposed solely at the discretion of the school board.

All concerned citizens are invited to a public hearing on the tax increase to be held on August 1, 2023 at 5:01 PM at the Ronald Blocker Educational Leadership Center, 445 West Amelia Street, Orlando, Florida. Public comment may also be made via email as specified on the district's website under School Board Meetings.

A DECISION on the proposed tax increase and the budget will be made at this hearing.

NOTICE OF TAX FOR SCHOOL CAPITAL OUTLAY

The School Board of Orange County will soon consider a measure to continue to impose a 1.5 mill property tax for the capital outlay projects listed herein.

This tax is in addition to the School Board's proposed tax of 4.921 mills for operating expenses and is proposed solely at the discretion of the School Board.

The capital outlay tax will generate approximately \$326,876,713 to be used for the following projects:

CONSTRUCTION AND REMODELING

District-wide: heating, ventilation and air conditioning, electrical upgrades, painting, window replacement, roof replacements, carpentry upgrades, parking and site improvements, flooring replacements, security upgrades, structural modification, plumbing upgrades, fire alarm and intercom expansions and/or improvements, portable replacements, playground replacement equipment, technology retrofits, network technology, portable moves and hookups, ancillary spaces, safety correction, site acquisitions and project management

Construction of two (2) new elementary schools

Construction of two (2) new ancillary facilities

MAINTENANCE, RENOVATION AND REPAIR

Transfer to the General Fund for maintenance and equipment

Modular renovation and shelter retrofits

MOTOR VEHICLE PURCHASES

Purchase of 125 school buses

Purchase of motor vehicles for security, maintenance and operation of plant

NEW AND REPLACEMENT EQUIPMENT, COMPUTER AND DEVICE HARDWARE AND OPERATING SYSTEM SOFTWARE NECESSARY FOR GAINING ACCESS TO OR ENHANCING THE USE OF ELECTRONIC AND DIGITAL INSTRUCTIONAL CONTENT AND RESOURCES, AND ENTERPRISE RESOURCE SOFTWARE

District-wide furniture, equipment and technology

PAYMENTS FOR EDUCATIONAL FACILITIES AND SITES DUE UNDER A LEASE- PURCHASE AGREEMENT

Annual master lease payments for various facilities and renovations

Annual lease payments for purchase of buses, vehicles, equipment and portable buildings

PAYMENTS FOR RENTING AND LEASING EDUCATIONAL FACILITIES AND SITES

District-wide educational facilities

PAYMENTS OF COSTS OF COMPLIANCE WITH ENVIRONMENTAL STATUTES, RULES AND REGULATIONS

Removal of hazardous waste

PAYMENTS OF COSTS OF LEASING RELOCATABLE EDUCATIONAL FACILITIES

District-wide educational facilities

CHARTER SCHOOL CAPITAL OUTLAY PROJECTS PURSUANT TO S. 1013.62(4), F.S.

PURCHASE OF REAL PROPERTY

CONSTRUCTION OF SCHOOL FACILITIES

PURCHASE OR LEASE OF PERMANENT OR RELOCATABLE SCHOOL FACILITIES

PURCHASE OF VEHICLES TO TRANSPORT STUDENTS

RENOVATION, REPAIR, AND MAINTENANCE OF SCHOOL FACILITIES

PAYMENT OF THE COST OF PREMIUMS FOR PROPERTY AND CASUALTY INSURANCE NECESSARY TO INSURE SCHOOL FACILITIES

PURCHASE OR LEASE OF DRIVER'S EDUCATION VEHICLES, MAINTENANCE VEHICLES, SECURITY VEHICLES, OR VEHICLES USED IN STORING OR DISTRIBUTING MATERIALS AND EQUIPMENT

COMPUTER AND DEVICE HARDWARE AND OPERATING SYSTEM SOFTWARE NECESSARY FOR GAINING ACCESS TO OR ENHANCING THE USE OF ELECTRONIC AND DIGITAL INSTRUCTIONAL CONTENT AND RESOURCES, AND ENTERPRISE RESOURCE SOFTWARE

PAYMENT OF COSTS OF OPENING DAY COLLECTION FOR LIBRARY MEDIA CENTER

All concerned citizens are invited to a public hearing to be held on

August 1, 2023 at 5:01 P.M.

at the

Ronald Blocker Educational Leadership Center, 445 West Amelia Street, Orlando, Florida.

A DECISION on the proposed CAPITAL OUTLAY TAXES will be made at this hearing.

111 - Basic K-3 with ESE Services	111.57	1.122	125.18	5139.73	1.0094	649,440
112 - Basic 4-8 with ESE Services	36.08	1.000	36.08	5139.73	1.0094	187,181
113 - Basic 9-12 with ESE Services	0.00	0.988	0.00	5139.73	1.0094	0
254 - ESE Support Level 4	41.89	3.706	155.25	5139.73	1.0094	805,452
255 - ESE Support Level 5	6.28	5.707	35.86	5139.73	1.0094	186,052
130 - ESOL	11.72	1.208	14.16	5139.73	1.0094	73,447
300 - Vocational Education 6-12	0.00	1.072	0.00	5139.73	1.0094	0
Totals	277.00		442.66			2,296,532

2 Schools Weighted FTE Share

School's Weighted FTE	442.66	
Districts UFTE	220,465.36	
Percent Share Unweighted	0.001256	
Districts FTEw	249,727.05	
Percent Share Weighted	0.001773	
Districts UFTE W/ESE Services (111,112,113)	32,090.05	
School Admin %	0.90	
3 ESE Guaranteed Allocation	62,616,031	660,490
4 Discretionary Millage (WFTE)	163,002,521	289,003
5 Special Millage (1.000)	217,917,808	273,705
6 Compression Adjustment .748 mills	12,308,581	15,460
7 Safe Schools (UFTE)	18,089,383	22,720
8 Educational Enrichment Allocation (UFTE)	52,185,470	65,545
9 Mental Health Assistance Allocation (UFTE)	11,027,962	13,851
10 Proration to Appropriation	(1,694,945)	(3,010)
11 Class Size Reduction	208,027,695	418,140
12 Transportation		
Regular Students	0.00	0
ESE Students	0.00	0
13 Total Estimated Revenue		\$4,052,437
14 Revenue Less Admin Charge		\$3,869,565

Revenue will vary during the year based on school,district,and statewide data changes.

Revenues are received by school districts from the state and the tax collector on various distribution schedules.

Note: Transportation is not an entitlement. You will need to follow guidelines to qualify. Please contact our Transportation Department for specific details.

Adopted Capital Outlay Budget
2023-2024 Fiscal Year and Long Range Capital Improvement Plan
September 12, 2023

The FY2024 Adopted Capital Outlay Budget and the resulting Long Range Capital Improvement Plan reflects renovation, remodeling and expansions of all the schools identified on the original sales tax referendum list. The construction scope of the sales tax projects will result in bringing all 132 K-12 schools up to the prototype standard and/or size of a new school. By definition of prototype standard, the district plans to improve, correct or replace major air conditioning systems, roofs, electrical, plumbing, site drainage, security, windows, interior and exterior code deficiencies where cited, upgrade technology, expand core space and replace portables where required. The expansions will result at schools that have exceeded the student capacity of the existing core space. On August 26th, 2014, the renewal of the half-cent sales tax was approved to fund the remaining 42 sales tax projects that were previously unfunded in the 10-Year Plan along with other capital needs. This includes four Technical College Campuses.

Beginning in FY2024 through FY2033, the Plan funds 13 new schools through revenues from local sources, impact fees, and property and sales taxes. This Plan includes 9 elementary schools, 3 middle schools and 1 high school within the 10 Year period. Each year the capital budget is reviewed and evaluated for new schools based upon projected student enrollment.

The Adopted Capital Outlay Budget and Long Range Capital Improvement Plan should be viewed as a conceptual plan and not necessarily an exact road map for the next ten years. Factors such as the economy, available revenues, legislative changes, student growth, class size reduction and school choice play a significant role in each year's capital improvement budget and subsequent planned years. Therefore, each year the plan will require careful review and analysis of each project.

This year the Adopted Capital Outlay Budget appropriations and reserves for FY2024 total \$3.1 billion.

This budget proposes to spend \$1.2 billion for capital renewal, comprehensive, and districtwide construction. Also included is \$101.9 million to address life and safety needs, site improvements, as wells as security and environmental projects.

Additional new school construction, site acquisition, functional equity needs, and Certificates of Participation payments total \$597.8 million.

The areas of existing schools, new schools, replacement schools, and future sites account for 88% of the total capital appropriations. In addition, 12% is budgeted for:

	<u>Millions</u>
Technology Portfolio	\$ 4.1
Portable Moves & Installations	\$ 39.2
Portable Leasing	\$ 8.9
Digital Technology Replacement	\$ 39.5
Maintenance Transfer/Transfer Out	\$ 80.8
Districtwide Painting	\$ 6.4
Ancillary	\$ 31.1
Buses, Vehicles and Equipment	\$ 45.1
Charter Schools	<u>\$ 12.5</u>
Total	\$ 267.7

Also, \$70.5 million is earmarked for transfer to the reserve for future capital renewal requirements. The capital renewal reserve is an annual amount required to fund anticipated system replacements for all school buildings.

The contingency reserve is established at \$32.7 million. This is 10% of property tax revenue in compliance with School Board Policy.

Finally, the reserve for future capital projects is \$839.7 million.

2023-2024 Fiscal Year District Capital Outlay Revenue and Other Sources

September 12, 2023

State Public Education Capital Outlay (PECO) Construction: PECO funds are provided from proceeds of the Gross Receipts Tax on utilities, which is constitutionally allocated for education capital improvement. These funds are provided to the district for construction, remodeling or renovations. Restrictions prohibit using these funds for new athletic facilities and performing arts centers. Any project using these funds must have been recommended in the educational plant survey. The last year the Legislature awarded PECO Construction dollars was in 2008.

State Public Education Capital Outlay (PECO) Maintenance: PECO funds are provided from proceeds of the Gross Receipts Tax on utilities. These funds are for the purpose of prolonging the useful life of educational plants. The maintenance and repair of the facilities are the primary uses of these funds. At least one-tenth of the annual allocation must be spent to correct unsafe, unhealthy, or unsanitary conditions in the educational facilities. Any remodeling or renovation projects using these funds must be based on the recommendations of an educational plant survey. Allocation is usually based upon a sum of digits formula – older buildings and larger facilities receive a greater allocation of funds for maintenance needs. Since FY 2019, no funding has been allocated to the district for PECO maintenance. The State, however, continues to provide a PECO maintenance allocation to charter schools that is sent to the district as pass through funds.

Half-Cent Sales Tax: The initial half-cent sales tax ended December 31, 2015. The half-cent sales tax renewal runs for 10 years from January 1, 2016 through December 31, 2025. Sales tax revenues can be used for the construction and renovation of school facilities including the costs of retrofitting and providing technology implementation and any related land acquisition, land improvement, design and engineering costs, including any bond indebtedness. The revenue projections for the FY2024 Adopted Capital Outlay Budget and Long Range Capital Improvement Plan reflect the long term impacts of inflation. Revenues will continue to be monitored throughout the fiscal year to ensure that the projected revenues align with planned expenditures.

Capital Improvement Millage: Funds derived from a 1.5 millage levy on local property. Revenues may be used for payment of principal and interest on COPS, for purchase of new and replacement equipment; for maintenance of existing facilities; rental and leasing of educational facilities and sites; purchase of new and replacement school buses; project management and for construction and remodeling of new or existing facilities. Based on recent legislation, a portion of the funds derived from the capital improvement millage is distributed to eligible charter schools to pay for capital needs including but not limited to construction, vehicle purchases, and real property acquisition.

Certificates of Participation (COPS): These funds are not a source of revenue but the proceeds of a twenty-five year loan against future property tax revenues. Funds may be used to remodel, renovate or replace existing schools and acquire land and construct additional schools.

State Capital Outlay and Debt Service (CO&DS): These funds are derived from the first proceeds of the State auto license fees and are constitutionally earmarked for educational capital improvement needs. Allocations are made on the basis of the calculated number of “teacher units,” and at a rate prescribed by the Constitution. CO&DS funds may be used in the acquiring, building, construction, altering, remodeling, improving, enlarging, furnishing, equipping, maintaining, renovating, or replacing of capital outlay projects. The requirement is that these projects be listed on a project priority list that is developed from the educational plant survey.

School Impact Fees: Florida Statutes direct local governments to make efficient and adequate provisions for schools. The imposition of Impact Fees on new residential development to help fund the capital costs of such development is authorized under Florida Law.

Sale of Property: When surplus property is sold, the proceeds are placed in this fund. Surplus property sales are not normally budgeted but the resulting proceeds are added into the actual results at the end of the year. Accumulated interest is also recognized at the end of the fiscal year.

Class Size Reduction: The voter approved constitutional amendment placed the responsibility for providing the necessary operating and capital funds required on the Legislature. To date, the Department of Education has allocated to the district a total of \$145 million.

Qualified Zone Academy Bonds (QZAB): QZABs are financial instruments that provide a tax credit to a bank or financial institution that holds the QZABs. The tax revenues are made available by the federal government to support school partnerships, enhance reform initiatives, including enhancing federal education programs, technology and vocational equipment. To be eligible, a school must have 35% or more of its students eligible for free or reduced lunch under the National School Lunch Act. Re-payment of the QZAB debt will be paid for from property taxes.

Qualified School Construction Bonds (QSCB): QSCBs are financial instruments that provide a subsidy in the form of a tax credit to a bank or other financial institution that holds the QSCBs. The tax revenues are made available by the federal government to help fund school construction, rehabilitation, repair and land acquisition. These bonds are authorized by the federal government through the American Recovery and Reinvestment Act (ARRA) of 2009.

District Equipment Lease Proceeds: Funds borrowed to cover the cost of new and replacement buses. Payment is made over an eight year period.

Loan-Other: Funds borrowed on a short-term basis to provide immediate resources for the construction program until future revenues are received or until long-term financing is prudent. These loans must be paid off or refinanced within one year.

Beginning Fund Balances: The balance of unexpended funds from the prior year that are either already obligated through existing contracts or are planned to be obligated in the near future.

Capital Appropriations 2023-2024

Debt Service Funds

FY 24 Budget

The purpose of the Debt Service Funds budget is to account for the payment of principal, interest, and other costs related to managing the District's outstanding capital debt. The majority of funds in this budget are capital revenues transferred into the Debt Service budget. Payments are scheduled for Certificate of Participation (COPs) financing which provides funds to build new schools, re-financing of prior debt issues, and replacement of obsolete classrooms.

Special Revenue Funds

School Food Service Program

FY 24 Budget

The purpose of the Special Revenue Fund for the Orange County School Food Service Program is to account for revenue and expenses associated with providing approximately 35,875,000 equivalent meals.

The main sources of revenue are federal funds, local sales, and state funds. Federal sources consist of the Federal Reimbursement and USDA commodities, which generate approximately 95% of revenues. Local sales generate approximately 4% of revenues, while state sources generate only about 1% of revenues.

The School Food Service Program is self-supporting and receives no subsidy from the District's General Fund. For the 2024 school year, all meals at current schools will be provided to OCPS students at no charge, regardless of income level. This initiative is made possible through the Community Eligibility Provision (CEP). CEP is an option for school districts operating child nutrition programs and is administered by the United States Department of Agriculture (USDA). The provision ensures all students have access to nutritious meals at no cost.

Revenue Source	FY 22-23 Price	FY 23-24 Price

Special Revenue Funds

Other

FY 24 Budget

The Special Revenue Funds Other are used to account for revenues from specific sources that are restricted or committed for specific purposes. School Internal Accounts and Extended Day Programs are the two primary funds within this grouping.

The School Internal Accounts are used to account for all monies collected and disbursed by each school through fundraisers and other student related extracurricular and co-curricular activities.

The Extended Day Programs before school and after school activity provides a safe and supportive environment for children. The school's Extended Day account is used to account for all monies collected and disbursed in support of the program. The main source of revenue is user fees.

Special Revenue funds are separate from the regular operating budget of the individual schools.

Special Revenue Funds

Federal Grants

FY 24 Budget

Special Revenue Funds – Federal Grants are used to account for federal funds legally restricted for current operating expenditures, including the acquisition of fixed assets which are necessary for the implementation of the approved grants. Each grant requires separate accounting within the fund for revenues and expenditures and the submission of monthly expenditure reports to the Florida Department of Education Comptroller’s office.

Although many grants continue each year, an annual grant plan must be submitted to the appropriate federal agency for approval.

The District has not received approval for FY24 federal grants at the time of preparation of this document, but it is anticipated that the FY24 awards will increase over FY23.

The budget amendment process for these grants reflects the fact that the critical decision on budget approval is made when the Board authorizes the grant submission. Subsequently, if and when the granting agency authorizes the award, the authorization of the budget is considered to have been approved.

Internal Service Funds

Employee Benefit Trust Fund

FY 24 Budget

This Internal Service Fund is used to account for the District's health insurance programs. The costs of services provided by this fund to other funds and departments of the District are accumulated in this fund.

The operating revenues of the Employee Benefit Trust Fund are provided by the School Board, employees, COBRA participants, and retiree premium payments. The rates for FY24 for the various health plans will not change. The district will offer four plan options, which includes the new SureFit plan, with two of the employee-only options available at no cost to the employee.

Operating expenses include medical claims payments, prescription claims payments and charges for services provided for the operation of the School Board of Orange County, Florida Employee Benefit Trust.

In compliance with government accounting and reporting standards, the revenues for these purposes are also recorded in the applicable fund as expenses (operating, capital, federal programs and food service) which inflate the overall appropriations of the total District budget.

Internal Service Funds

Property Casualty Loss Fund

FY 24 Budget

This Internal Service Fund is used to account for the District's self-insured property casualty program. The costs of insurance losses are accumulated in this fund.

Transfers from the operating and special revenue funds provide the revenues of the Property Casualty Loss Fund. The FY24 budget reflects an increase in revenue which is based upon the dollars needed to pay estimated claims as determined by an actuary. The district's property insurance coverage includes wind storm coverage of \$50 million. Operating expenses include payments for property, liability, worker's compensation claims, premiums for excess insurance and administration services for the operation on the program.

In compliance with governmental accounting and reporting standards, the revenues for these purposes are also recorded in the applicable fund as expenses (operating, capital, federal programs, and food service) which inflate the overall appropriations of the total District budget.

Internal Service Funds

Printing Services Fund

FY 24 Budget

This Internal Service Fund is used to account for the District's printing services. The costs of services provided by these operations to other departments of the District are accumulated in this group of funds.

The operating revenues of the Printing Services Fund are generated by charge-backs to the various departments that utilize this service. The charge-back rates are reviewed and adjusted as necessary each year to provide sufficient funding to offset the costs of services.

The intent of these activities is to be self-supporting – not for profit. The rates would normally be increased in a year following a deficit; and the rates decreased in a year that follows a surplus.
